

The Northwest Colonial Reenactors Association

Presents

Our 18th Annual Colonial Encampment

Thursday September 12th to Sunday September 15th, 2019

Near Rochester Washington, on the mysterious Black River

We will be enjoying multiple presentations and classes, canoe treks, bowls, teas, games, marching drills, shoots, evening campfire conversations, raffle prizes, colonial dancing, and a fabulous potluck dinner that has to be tasted to be believed! As always, we will especially enjoy the endearing atmosphere of family fun, fellowship and camaraderie that has become the norm for this event each year. While our encampment is for reenactors dressed in period accurate attire and lodging in period camps, we welcome visitors who would like to come for a few hours to see if our group might be a good fit for them.
